If a Vice President resigns from the organization, the amount of their stipend will be calculated by the following equation: Final adjusted stipend amount divided by 16 (weeks in a semester) multiplied by the weeks completed. For example, if a Vice President resigns after serving eleven (11) weeks without any deductions (i.e. missed meetings, committee meetings, etc.) The equation would be: Half Tuition / 16 X 11 = the amount of stipend after their resignation. If the Vice President is sworn in after mid-semester their number of weeks would change from sixteen (16) to eight (8).

**Late Appointments:**
If a Vice President is appointed late, as a replacement for a past resignation, their stipend will be calculated using the same equation as that of a Vice President that has gone through resignation. If the Vice President is sworn in after mid-semester their number of weeks would change from sixteen (16) to eight (8).

**Review Process:**
The Senator Review Committee will be composed of the Vice President of Internal Affairs and four (4) Senators, the Parliamentarian, and one (1) advisor appointed and confirmed by the senate. This committee will be in charge of handling any discrepancies or disputes that may occur regarding contractual obligations.

I hereby agree to be held accountable to these requirements and understand the stipend process above.
